

BLUSH FLORAL & WEDDING DESIGN

Blush Floral & Wedding Design, LLC is a new floral and wedding design shop located at 104 West Miller St., Suite 44. It is owned by Chelsea Bendix a former Newark graduate. Chelsea recently graduated from The Fashion Institute of Technology in New York City in May 2014 with a degree in art and design. After graduating and interning for Anthropologie in Rockefeller Center working as a display designer, Chelsea found that she was very interested in event design. While interning for a wedding designer out of Brooklyn, NY she realized how much of event design included flowers. She returned home to Newark and sought out a job where she could learn more about floral design. She succeeded and fell in love with it. After 8 months of learning from a wedding florist she decided that she wanted to do it on her own, and combine event design with floral design. As a result, Blush Floral & Wedding Design was born.

Blush offers floral arrangements for every occasion, as well as design services for every type of event. Blush also offers rentals for events; this includes but is not limited to candle holders/accessories, decorative table runners, decorative vases, place card holders, etc. Custom ordering is also available for events. Blush will do its best to find that unique item to make your event different and memorable. Chelsea hopes to focus most on wedding/event design, for that is where her true passion lies.
