

JOEY'S NORTHSIDE GROCERY

Owned and operated by Joey Nicosia since 1992, this independent convenience store features a wide variety of domestic and imported beers, craft and micro-brews, non-alcoholic and gluten free. The growlers and Tumblers remain on tap year round and are generally rotated every three (3) weeks.

Along with one of the area's finest assortments of beer, you will also be able to find high end cigars and grocery staples.

Just one more convenience in the beautiful canal village of Newark...
