

Smart911

Smart911

Smart911 allows citizens to create a Safety Profile at www.smart911.com for their household that includes any information they want 9-1-1 and response teams to have in the event of an emergency.

When a citizen makes an emergency call, their Safety Profile is automatically displayed to the 9-1-1 call taker, allowing them to send the right response teams to the right location with the right information.
